

COMPANY OVERVIEW

AYA Services, LLC is a 100% tribally-owned federal contracting company established as an operating subsidiary of AYA Corporation, a Section 17 federally chartered corporation wholly owned by the Sisseton-Wahpeton Oyate. Headquartered on the Lake Traverse Reservation in South Dakota, AYA Services delivers professional, technical, and management support services to federal customers with a specialized focus on AI-enabled optimization and mission-critical program management.

Our team combines military expertise with modern analytical capabilities to deliver measurable performance improvements. As a tribally-owned 8(a) contractor, AYA Services offers federal agencies streamlined sole-source procurement pathways, competitive pricing through tribal tax advantages, and an unwavering commitment to mission success.
